

Dedicated
To
The Youth of America and of the World

" I am Our Lady of the Divine Indwelling,
Handmaid of Him Who dwells within. "

" The Presence of the Trinity within every human being is the focal point, the basis of interior holiness... You must try to make my people understand that the life of *GOD* within them is the source of their peace and happiness. **There is no other way.** This is what my Son came to teach and bring and it was for this He lived and died.

Unless the mystery of GOD's Presence within is accepted and lived, peace will not come. **It is the only way...**"

These are the words of the Blessed Virgin Mary in the apparitions of **Our Lady of America**, to Sister Mildred Mary Neuzil, July 18, 1980.

Sister Mildred earlier wrote...

" Our Lady... is particularly interested in the **youth** of our nation. **It is they who are to be the leaders of this movement of renewal on the face of the earth.** Their ranks will be swelled by the youths of other nations whom Our Lady also calls to help in the accomplishment of this great renewal.

But the youth must be prepared, and this must be done by instilling into them, not only the knowledge of the Divine Indwelling, but a serious study of It, a living It in such a way that the Divine Presence becomes, as it were, an intimate and necessary part of their life and daily living.

From this will flow a great love, a conflagration that will envelop the world in the flames of Divine Charity.

This is what Our Lady is working for... and it is to the **youth** of America that she is holding out this challenge. " Sister Mildred Mary Neuzil, 1958

The **Children of the Divine Indwelling, Book of Prayer & Reflections** is dedicated to the youth of America and of all the world, with the prayer that it may help you to fulfill this mission of Our Lady of the Divine Indwelling, that you become the leaders of this movement of renewal on the face of the earth, and thus bring peace to all mankind.
